

Fine-ribbed mats

Applications

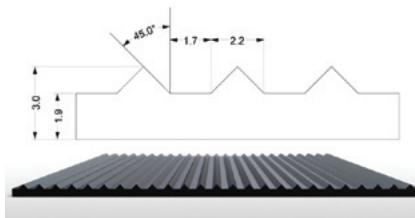

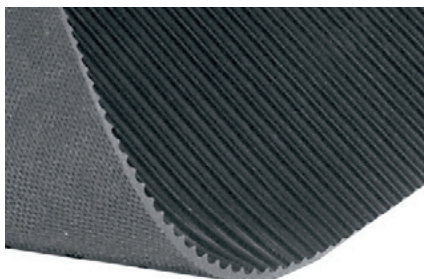

The mats can be used as runners in corridors, on workbenches and for truckload security safety.

The benefits at a glance

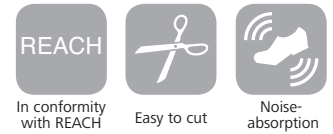

- Light insulation and protection of the floor against wear and tear
- Loose laid, no fixing required
- Can be easily cut to size to suit individual on-site requirements
- Good noise absorption

Instructions for use and cleaning

- The mat can be installed without extra fixing or gluing
- Easy to clean with high-pressure cleaners

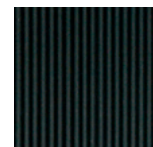

Properties

Specifications

Art Nr.:
Sizes: 100 x 1000,
120 x 1000 cm
Thickness: 3 mm
Weight: 3.6 kg/m²
Colours:

black

Material: 100% Rubber
Hardness: 80 Shore A +/- 5
Surface: ribbed
Accessories: -

Properties

Flame-resistance: -
Chemical-resistance: -
Slip-resistance: -
Effective drain-through and aeration: -
