

Yogameter[®] Workstation mat

Applications

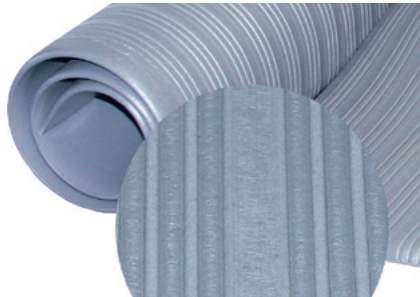

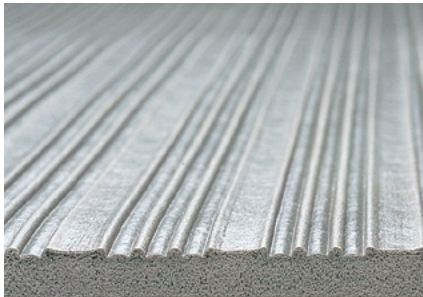

Yogameter is perfectly suitable as matting around workbenches and assembly lines, processing and packaging areas, sales counters and also for other industrial use in dry areas.

The benefits at a glance

- Embossed rib surface for maximum slip-resistance
- This flooring made of innumerable closed sponge cells insulates against cold floors
- Good anti-fatigue properties, sound and shock absorbing
- Temperatures-resistant up to +60°C
- Silicon-free material
- Bevelled edges to reduce tripping hazards
- Easy to cut to size to adapt to any working place

Instructions for use and cleaning

- The mat can be installed without extra fixing or gluing
- To clean the mat, you just brush off the dirt

Properties

In conformity with REACH

Anti-fatigue

Slip-resistant
